Seeds from the Spirit

To “be filled with the Spirit”, is to receive from the Spirit.

A camel fills itself with water before it goes into the desert. While in the desert, it draws from within itself, because what is within him sustains him.

So is it with the Spirit, if He’s in you, He will sustain you. I pray that you will plant these “Seeds from the Spirit”, Into your spirit, that when you are in the desert times of Your life, you will have something to draw from.

Be Blessed,

Pastor Gerald A. Tucker
